- Wildlife Rehabilitation Interns must be at least 18 years of age.
- The Internship Commitment is 400 hours (10 weeks, 40 hours per week.)
- Interns will adhere to all policies and procedures as stated in the Intern Packet.
- Interns will maintain a professional appearance and wear their intern uniform during their shift.
- Interns will be prompt to their shifts. Absences are due to sickness and extenuating personal circumstances and will be discussed with Internship Supervisors to make up hours missed.
- Interns are not permitted to take pictures of hospital patients or post any pictures on social media without staff permission.
- Interns consent to having their image photographed and allow these photos to be used for educational and promotional purposes.
- Interns are required to follow instructions and directions given by staff at all times.
- Interns may not bring any visitors with them into the hospital.
- Interns must adhere to safety protocols and understand Volunteers for Wildlife is not liable for any injuries that may occur.
- Volunteers for Wildlife reserves the right to terminate the internship at any given time.

If accepted for this internship, I agree to abide by the policies and procedures of Volunteers for Wildlife, Inc. and to perform the duties of this position with a strong work ethic and a high level of personal integrity. I agree to respect the philosophies of the organization and I will provide the best possible care for the animals placed in my charge.
